What date was the special program first approved?

Are any aspects of the special program changing?

If yes, please describe the aspects of the special program that are changing and why

Are you seeking renewal for an additional five years?

If no, please describe the term length you are seeking for your renewal and why.

Describe how the special program has succeeded in addressing disadvantage for its identified groups.

Please include any metrics that were collected for the special program, as identified in the original approval letter. This is a requirement for renewal.

Read [some examples](#) of what metrics to look for.
